Bálits Péter Márton

Software Engineer Intern

balitspeter.me | balits.peter@gmail.com | linked.in/petike! | +36 70 383 7491

Currently I'm pursuing my Bachelors in Computer Science at ELTE, Faculty of Informatics. I'm constantly on looking for new opportunities to learn and grow, and I try to apply this mentality to Software Engineering aswell.

SKILLS

Profficent

- React, Svelte, Solid.js
- Typescript, Go
- API development
- Version Control

Familiar

- Node.js, Rust, C++, Java
- Docker
- React Native
- PostgreSQL

EDUCATION

Education

- Vörösmarty Mihály Gimnázium
- ELTE - Faculty of Informatics, Bsc (ongoing)

Languages

- English, B2
- German, B2

EXPERIENCE

Other than school projects, my first large scale project was a webshop for the ceramics brand Art by Bori. It's a fullstack ecommerce site built with React, Tailwindcss and Shopify.
